

Dr méd. Giorgio Enrico Bravetti

Médecin-assistant en ophtalmologie

Profil

Langues

Italien, français, anglais

Expérience professionnelle

- | | |
|-------------|--|
| Depuis 2019 | Médecin-assistant en ophtalmologie, Swiss Visio Montchoisi, Lausanne, Suisse |
| Depuis 2019 | Médecin-assistant en ophtalmologie, Centre RétineElysée, Lausanne, Suisse |
| 2018-2019 | Médecin-assistant et assistant de recherche, Swiss Visio Montchoisi, Lausanne, Suisse |
| 2017-2018 | <ul style="list-style-type: none">• Enseignant Basic Life Saving, cours de premiers secours pour les entreprises, Formazione Sanitaria ALS Bologna, Bologne, Italie• Médecin bénévole, Poliambulatorio Chirurgico Oculistico DSC, Bologne, Italie |
| 2017-2018 | Stage en ophtalmologie, Ospedali Riuniti Torrette et Poliambulatorio DSC, Ancône / Bologne, Italie |

Formation

- | | |
|------|---|
| 2018 | Diplôme Fédéral Suisse de Médecine (Accordé par équivalence MEBEKO) |
| 2017 | Permis d'exercer en médecine et chirurgie, Alma Mater Studiorum, University of Bologna, Bologne, Italie |
| 2016 | Diplôme en médecine et chirurgie, Alma Mater Studiorum, University of Bologna, Bologne, Italie |

Affiliations

- The Royal College of Ophthalmologists London
- Professional Order of Physicians and Surgeons of Bologna

Publications

- XEN-augmented Baerveldt Drainage Device Implantation in Refractory Glaucoma: One Year Outcomes. Bravetti GE, Mansouri K, Gillmann K, Rao H, Mermoud A. Graefe's Archive, under review.
- Bilateral XEN Stent Implantation: A Long-Term Prospective Study of the Difference in Outcomes between First-Operated and Fellow Eyes. Gillmann K, Bravetti GE, Rao H, Mermoud A, Mansouri K. Journal of Glaucoma, under review.

- A Prospective Analysis of Combined iStent inject® Microstent Implantation: Surgical Outcomes and Devices Position at 12-month. Gillmann K, Mansouri K, Bravetti GE, Ambresin A, Mermoud A. *Acta Ophthalmologica*, under review.
- Pericardium Patch Graft (Tutoplast®) for Bleb Repair and Bleb Remodelling after Nonpenetrating Filtering Surgery: Six-Month Outcomes. Niegowski L, Bravetti GE, Gillmann K, Mansouri K, Mermoud A. *Journal of Glaucoma*, Feb 2020, doi: 10.1097/IJG.0000000000001474.
- EyeWatch Rescue of Refractory Hypotony After Baerveldt Drainage Device Implantation: Description of a New Technique. Elahi S, Bravetti GE, Gillmann K, Villamarin A, Meeus L, Stergiopoulos N, Mansouri K, Mermoud A. *Journal of Glaucoma*, Feb 2020, doi: 10.1097/IJG.0000000000001417.
- Impact of Combined XEN Gel Stent Implantation on Corneal Endothelial Cell Density: 2-Year Results. Gillmann K, Bravetti GE, Rao H, Mermoud A, Mansouri K. *Journal of Glaucoma*, Dec 2019, doi: 10.1097/IJG.0000000000001430.
- Delayed Obstruction of XEN Gel Stent by Cell Debris in Primary Open-Angle Glaucoma: a New Insight Into The Pathophysiology of Filtration Devices Failure. Gillmann K, Bravetti GE, Mermoud A, Mansouri K. *Journal of Current Glaucoma Practice*, Dec 2019, doi: 10.5005/jp-journals-10078-1258.
- Using Sensors to Estimate Intraocular Pressure: a Review of Intraocular Pressure Telemetry in Clinical Practice. Gillmann K, Bravetti GE, Niegowski L, Mansouri K. *Expert Review of Ophthalmology*, Oct 2019, doi: 10.1080/17469899.2019.1681264.
- A Metric to Consider on the Global Accessibility of Glaucoma Surgery. Mansouri K, Gillmann K, Bravetti GE. *JAMA Ophthalmology*, Jul 2019, doi: 10.1001/jamaophthalmol.2019.2337.
- Angle Closure Glaucoma Secondary to Multiple Ciliary Body Cysts: Anterior Segment Imaging Pre- and Post-Treatment With Laser Iridotomy and Cystostomy. Gillmann K, Niegowski L, Bravetti GE, Mansouri K. *Journal Français d'Ophtalmologie*, Jun 2019, doi: 10.1016/j.jfo.2019.03.027.
- Two-Year Outcomes of XEN Gel Stent Surgery in Patients With Open Angle Glaucoma. Mansouri K, Bravetti GE, Gillmann K, Rao H, Ch'ng TW, Mermoud A. *Ophthalmology Glaucoma*, Jun 2019, doi: 10.1016/j.ogla.2019.03.011.
- XEN Gel Stent in Pseudoexfoliative Glaucoma: 2-Year Results of a Prospective Evaluation. Gillmann K, Bravetti GE, Mermoud A, Rao H, Mansouri K. *Journal of Glaucoma*, May 2019, doi: 10.1097/IJG.0000000000001295.
- A Prospective Analysis of iStent Inject Microstent Positioning: Schlemm Canal Dilatation and Intraocular Pressure Correlations. Gillmann K, Bravetti GE, Mermoud A, Mansouri K. *Journal of Glaucoma*, May 2019, doi: 10.1097/IJG.0000000000001273.
- Anterior Segment Optical Coherence Tomography Signs of Local Dilatation Effect of a Micro-Stent on Schlemm's Canal. Gillmann K, Bravetti GE, Mansouri K, Mermoud A. *Nepalese Journal of Ophthalmology*, Mar 2019, doi: 10.3126/nepjoph.v10i2.23030.
- Congenital Refractory Glaucoma: A New Ophthalmic Association of Kabuki Syndrome and its Management With Glaucoma Drainage Devices. Bravetti GE, Gillmann K, Mansouri K, Mermoud A. *Journal of Glaucoma*, Jan 2019, doi: 10.1097/IJG.0000000000001201.
- Anterior Chamber XEN Gel Stent Movements: The Impact on Corneal Endothelial Cell Density. Gillmann K, Bravetti GE, Mermoud A, Mansouri K. *Journal of Glaucoma*, Jan 2019, doi: 10.1097/IJG.0000000000001200.
- Effects of Sex Hormones on Ocular Blood Flow and Intraocular Pressure in Primary Open-Angle Glaucoma: The Effect of Orgasm and Sexual Activity. Gillmann K, Bravetti GE, Mansouri K. *Journal of Glaucoma*, Dec 2018, doi: 10.1097/IJG.0000000000001175.

- A Prospective Evaluation of the Repeatability and Reliability of New Steady-state Pattern Electroretinogram Parameters. Gillmann K, Mansouri K, Ouabas A, Chaudhary A, Bravetti GE, Mermoud A. Journal of Glaucoma, Oct 2018, doi: 10.1097/IJG.0000000000001103.
- Chronic Intraocular Inflammation as a Risk Factor for XEN Gel Stent Occlusion: A Case of Microscopic Examination of a Fibrin-obstructed XEN Stent. Gillmann K, Mansouri K, Bravetti GE, Mermoud A. Journal of Glaucoma, Aug 2018, doi: 10.1097/IJG.0000000000001002. Cover picture of Journal of Glaucoma, August 2018.
